Kala Pola

2020

(Sri Lanka's Annual Open Air Art Fair)

'Kala Pola' 2020 is presented on 23rd February 2020 by The George Keyt Foundation in association with the John Keells Group through its Corporate Social Responsibility entity - John Keells Foundation.

Launched in 1993, 'Kala Pola' drew inspiration from the open air summer art fairs in European capitals such as the legendary Montmartre in Paris. The deep rooted rationale for its existence goes beyond the mere search for fascinating colour, exuberance, and camaraderie. 'Kala Pola' is a key platform for artists and sculptors to launch and develop their careers, build a steady clientele and thereby create a viable source of income and facilitates the exchange of ideas among artists for collective growth in style and genres. Over the years, it has also become a reputed means of popularizing the appreciation and patronage of visual art by the general public.

In the recent past, 'Kala Pola' has featured over 350 artists and sculptors from various parts of Sri Lanka marketing their creations to an ever growing and appreciative Sri Lankan, expatriate and foreign clientele in a fun-filled atmosphere of music and camaraderie. Many artists have gone on to become successful professionals because of 'Kala Pola', with some proceeding to launch careers in the international arena.

The George Keyt Foundation and the John Keells Group are proud to present the 27th edition of Kala Pola, which marks the 26th year of event partnership by the John Keells Group.
