30TH YEAR

(Sri Lanka's Annual Open Air Art Fair)

'Kala Pola' 2023 unfolds on 19th February 2023 marking three decades since its inception. Conceptualized by the George Keyt Foundation in 1993 and organized and sponsored by the John Keells Group from 1994, 'Kala Pola' is Sri Lanka's most vibrant platform for artists to showcase their work as well as interact with the art community. This year brings back the street art fair following a 2-year hiatus due to the pandemic (with virtual events being held in 2021 and 2022).

'Kala Pola' drew inspiration from the open-air summer art fairs in European capitals such as the legendary Montmartre in Paris. The deep-rooted rationale for its existence goes beyond the mere search for fascinating colour, exuberance, and camaraderie. 'Kala Pola' is a key platform for artists and sculptors to launch and develop their careers, build a steady clientele and thereby create a viable source of income and facilitates the exchange of ideas among artists for collective growth in style and genres. Over the years, it has also become a reputed means of popularizing the appreciation and patronage of visual art by the general public.

In 2020, 'Kala Pola' featured over 350 street event of 'Kala Pola' has featured approximately 350 artists and sculptors from various parts of Sri Lanka marketing their creations to an ever growing and appreciative Sri Lankan, expatriate and foreign clientele in a fun-filled atmosphere of music and camaraderie. Many artists have gone on to become successful professionals because of 'Kala Pola', with some proceeding to launch careers in the international arena.

The George Keyt Foundation and the John Keells Group are proud to commemorate the 30th year of 'Kala Pola', which also marks the 29th year of partnership between the two organizations.
